Dear Friends of the Westwood Library,

October is the month when the Friends of the Westwood Public Library reach out to the community in the form of our Annual Appeal.

Over the past year, your generous donations have funded programs that enhance our overall library experiences and build community across Westwood. Highlights include:

- More than 900 residents (kids, teens, and adults) participated in the 2022 Summer Reading program.
- The very popular Living Library - grab and grow gardening kits, seed library, and programs – that was featured on WBZ News radio.
- Digital services that continue to be vitally important to our community. The FOL funds subscriptions to Kanopy, Overdrive, Hoopla, and Flipster.
- Access to 22 discounted museum passes including popular outdoor learning spaces such as Hale, Mass Audubon, Boston Harbor Islands, MA State Parks, and Roger Williams Zoo
- FOL-funded programs continue to engage and inspire our community, with children's programs (6,155 participants), young adult programs (504 participants), and adult programs (1,454 programs) bringing interesting content and experiences to our community.

Please consider donating to the Friends of the Westwood Library. The Friends of the Westwood Library provides funds for library programs not covered by the existing town budget.

As always, we extend our gratitude for your continued support of and generosity to the Westwood Public Library.
