

Call, Grab & Go Bags: Book Selection Services for Adults

Call 781-320-1045

Looking for your next read? We want to help get great books into your hands this summer via our new **ReadNEXT: Call, Grab & Go Service!** To participate, you can call 781-320-1045, complete the online form, **or** you can fill out and return this form to the library and we will create a bag full of book selections to match your interests. Grab & Go Bags are available for ALL adult patrons via Curbside Pick-up.

Each bag will contain titles to reflect your selection of genres. And we are happy to mix and match as well! For example, if you really would like to have both a Psychological Thriller and a Romance, select both options and we will combine your Grab & Go selections into a single bag for Curbside Pickup.

We will make every attempt to fulfill Call, Grab & Go Bag requests as quickly as possible. Due to staffing constraints and physical distancing mandates, the turnaround time may take up to 3 business days, but we will strive to have your items ready ASAP. *If you want to request a specific book or movie, please use the online catalog.*
